# Too Much Trash?

The City of San Pablo encourages you to reduce waste by buying in bulk, not purchasing products you don't need, purchasing products in recyclable containers, re-use containers and products or giving to charity, family or friends for re-use. Waste contributes to our greenhouse gas emission, which contributes to global warming. We provide options in this pamphlet for reusing, recycling and for dumping.

## Dump Voucher Program

Residents of the City of San Pablo are eligible to receive \$40 worth of dump vouchers once per Fiscal Year (July 1st through June 30th). The requirements are as follows:

- You must live within the limits of the City of San Pablo (Montalvin Manor, Tara Hills, Bayview and Rollingwood areas are not part of the City of San Pablo jurisdiction).
- Provide a valid California driver license, identification card, or passport.
- Provide a current utility bill (Pacific Gas & Electric bill, phone bill, or cable bill) the name of the bill and identification must match. East Bay Municipal Utility District & Richmond Sanitary are not sufficient.

The vouchers are only for the people who reside in the residence not for property owners of rental properties. If the bill you are providing is not in your name you must have a letter authorizing you to receive the dump vouchers from the person listed on the bill, and a copy of their California Identification or passport. Dump vouchers are valid for 6 months.

## Curbside Collections

Richmond Sanitary Services offers:

Two curbside collections per year of up to 15 bags (no larger than 32 gallons) per collection. Bag clean-ups can be used for miscellaneous waste, or green waste (landscape waste and yard debris). Green waste must be contained in compostable biodegradable bags.

AND

One curbside Bulky Item or E-waste collection annually. Residents can request the pick-up of one bulky item (i.e. furniture, an appliance, **or** Christmas tree) **or** up to 5 electronic waste items (i.e. computer, TV 23" or smaller, or phones).

### Unacceptable materials include:

- Liquids (i.e. rat poison, cleaning fluids, pesticides, lighter fluid)
- Commercial-sized refrigerators or freezers
- Construction and demolition wastes
- Heavy inerts (i.e. concrete, asphalt, dirt)
- Hazardous or infectious wastes (product label includes words such as: danger, warning, caution, poisonous, corrosive, toxic and flammable)

Refer to the important contacts for locations to dispose unacceptable materials.

For further information or to request a pick-up, please call **Richmond Sanitary Service** at (510) 262-7100. Once the collection date is set (one week in advance), the item(s) will need to be placed at the curb by 6 a.m. on the day of pick-up.
